

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF WEST VIRGINIA
AT CHARLESTON

UNITED STATES OF AMERICA

v.

CRIMINAL ACTION NO. 2:02-00037

BENNY RAY WASHINGTON

SUPERVISED RELEASE REVOCATION AND JUDGMENT ORDER
MEMORANDUM OPINION AND ORDER

On January 3, 2014, the United States of America appeared by John J. Frail, Assistant United States Attorney, and the defendant, Benny Ray Washington, appeared in person and by his counsel, Rhett H. Johnson, Assistant Federal Public Defender, for a hearing on the petition on supervised release submitted by Senior United States Probation Officer Patrick M. Fidler. The defendant commenced a 57-month term of supervised release in this action on November 16, 2012, as more fully set forth in the Supervised Release Revocation and Judgment order entered by the court on October 1, 2012.

The court heard the admissions of the defendant and the representations and argument of counsel.

For reasons noted on the record of this proceeding, which are ORDERED incorporated herein by reference, the court found that the defendant has violated the conditions of supervised release in the following respect: the defendant used and possessed methamphetamine as evidenced by positive urine specimens submitted by him on February 19, May 21, June 10, August 20 and October 21, 2013; all as admitted by the defendant on the record of the hearing and as set forth in the petition on supervised release.

And the court finding, as more fully set forth on the record of the hearing, that the violation warrants revocation of supervised release and, further, that it would unduly depreciate the seriousness of the violation if supervised release were not revoked, it is ORDERED that the supervised release previously imposed upon the defendant in this action be, and it hereby is, revoked.

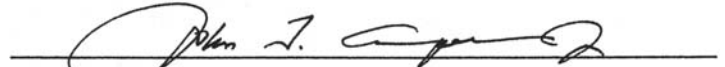

And the court having complied with the requirements of Rule 32(a)(1)(B) and (C) of the Federal Rules of Criminal Procedure, and finding, after considering the factors set forth in 18 U.S.C. § 3583(e), that the defendant is in need of correctional treatment which can most effectively be provided if

he is confined, it is accordingly ORDERED that the defendant be, and he hereby is, committed to the custody of the United States Bureau of Prisons for imprisonment for a period of EIGHTY (80) DAYS, to be followed by a term of four (4) years of supervised release upon the standard conditions of supervised release now in effect in this district by order entered June 22, 2007, and the further condition that the defendant not commit another federal, state or local crime and the special condition that he spend six (6) months in a community confinement center, follow the rules and regulations of the facility, and participate in drug abuse counseling and treatment as directed by the facility and the probation officer. If feasible, the defendant shall be transported directly from his place of incarceration to the community confinement center.

The defendant was remanded to the custody of the United States Marshal.

The Clerk is directed to forward copies of this written opinion and order to the defendant, all counsel of record, the United States Probation Department, and the United States Marshal.

DATED: January 6, 2014

United States District Judge
